Higher National Diploma in Accountancy
First Year, Second Semester Examination-2022
DA1252: Introduction to ICT and Computer networks

Instructions for Candidates:
Answer Question 1 and any three (03) questions from Part B

No. of questions : 05
No. of pages : 03
Time : Two hours

Part 1

I. What is the primary function of a Database Management System (DBMS)?
a. Storing hardware components
b. Managing and organizing data
c. Creating software applications
d. Designing network architectures

II. Which of the following is NOT an application software used for office automation?
a. Microsoft Word
b. Adobe Dream Viewer
c. Microsoft Excel
d. Microsoft PowerPoint

III. What is the main purpose of requirement analysis in software development?
a. Writing code
b. Testing software
c. Understanding and defining user requirements
d. Implementing the software

IV. Which network topology connects all devices in a linear fashion?
a. Mesh
b. Star
c. Bus
d. Ring

V. Which type of data storage device has the fastest data access time?
a. HDD
b. CDROM
c. Flash Drive
d. SSD

VI. What is the main advantage of using cloud storage over local storage?
a. Average Security
b. Limited storage
c. Access speed
d. Cost Effectiveness

VII. Which SQL command is used to retrieve data from a database?
a. SELECT
b. INSERT
c. UPDATE
d. DELETE

VIII. Which SQL command is used to delete table from a database?
a. DELETE
b. CREATE
c. ALTER
d. DROP

IX. In which stage of the software development life cycle (SDLC) is code written?
a. Requirement Analysis
b. Development
c. Design
d. Testing

X. Which networking equipment is used to connect multiple networks together?
a. Switch
b. Router
c. Hub
d. Modem

XI. Which type of network covers the largest geographic area?
a. LAN
b. MAN
c. WAN
d. PAN

XII. Which type of network covers the smallest geographic area?
a. LAN
b. MAN
c. PAN
d. WAN

XIII. Advantages of video conferencing is
a. Increased travel costs
b. Reduced flexibility
c. Limited accessibility
d. Improved collaboration and communication

XIV. Most suitable network scope for school laboratory is?
a. LAN
b. MAN
c. WAN
d. PAN

XV. Business System Development is?
a. Circular process
b. Linear process
c. Both
d. None of above

PART B

Question 02

i. What is meant by microcomputer? (03 Marks)
ii. List two types of microcomputers (04 Marks)
iii. Name four common uses of personal microcomputers. (04 Marks)
iv. Briefly explain the difference between Hard Disk Drive and Solid State Drive (06 Marks)
v. Explain why laptop computers are more popular among office workers nowadays (08 Marks)
(25 Marks)

Question 03

i. What is meant by Software? (03 Marks)
ii. List four types of application software (04 Marks)
iii. Name four common uses of software in education sector. (04 Marks)
iv. Explain the application of Power BI in management cession making (06 Marks)

v. Explain the use of Application software in office automation, with examples. (08 Marks)

(25 Marks)

Question 04

A company is planning to implement a database system to manage their delivery . The database needs to store information about products, customers, and orders, and deliveries. The following details need to be included:

- Products: product name, category, quantity, unitPrice.
- Customer: customerName, contact.
- Orders: product, customer, quantity, date.
- Delivery: order, product, quantity, date.

i. What is a relation? (03 marks)

ii. Introduce appropriate primary keys for the given four relations (04 marks)

iii. Explain the importance of using foreign keys in a relational database by giving an appropriate example from the given scenario. (04 marks)

iv. Write the SQL queries to perform followings (06 Marks)

a. Create 'Products' table.

b. Insert a record to 'Products' table

v. Mention the use of following SQL commands. (08 Marks)

a. Drop column

b. Alter table

c. Drop column

d. Update

(25 Marks)

Question 05

i. What is mean by computer network (03 Marks)

ii. List four types of computer networks according to scale (04 Marks)

iii. Mention four advantages of computer networks in a whole sale business. (04 Marks)

iv. Explain the application of Power BI in management (06 Marks)

v. Explain the use of Application software in office automation, with examples. (08 Marks)

(25 Marks)
